SIGN PERMIT APPLICATION

Please provide two (2) copies of the following with this application:

1. Aerial/site layout indicating location of all existing and proposed signage.
2. Drawing showing the shape, dimensions, and structural plan of the signage. If a sign is in excess of thirty-two (32) square feet or if any portion of the sign is more than twelve (12) feet above finished grade, a seal from a VA certified architect or engineer is required. When specific conditions warrant, the Building Division can require RDP stamp for any sign.

Fees for sign permits shall be fifty dollars (\$50.00) up to the first one thousand dollars (\$1,000.00) of sign value and twenty dollars (\$20.00) for each additional one thousand dollars (\$1,000.00) or portion thereof of sign value. An additional two (2) percent will be added to the total fee for the state levy. Government, civic, charitable and nonprofit organizations are exempt from fee requirements. **Electrical permits may be required**

General Note: The City of Harrisonburg enforces the building code sections related to signs, specifically Appendix H. A summary is provided on the reverse of this application form. It is the applicant's responsibility to comply with the requirements set out in the full text of the building code. The full text is available at the following website - <https://codes.iccsafe.org/public/document/VCC2012/appendix-h-signs>.
