Dear Chief Tobia,

I am pleased to extend my warmest greetings to you and the members of the Harrisonburg Fire Department as International Firefighters' Day is celebrated around the world.

As firefighters, you willingly put yourselves into harm's way to protect the lives and property of others. Whether rendering skilled services or comforting a neighbor in the midst of a stressful situation, your actions make a difference. In this noble pursuit, many heroes have lost their lives, and today, we take a moment to reflect upon their sacrifice and courage. As you continue your dedicated service, please know that you have the support and appreciation of your fellow Virginians.

If I can ever be of assistance to you, please do not hesitate to contact me or a member of my staff. Thank you for choosing to become a firefighter.

Sincerely,

MARK R. WARNER
United States Senator
