Thank-you for being 1st responders when needed anywhere especially with the COVID going on. Thank you again,

THE JOYFUL DISPATCH

Erin & Gentlemen,

Thank you for replacing my
smoke detectors.

Very much appreciated,

Frances
Bolton

Ms. Frances Bolton was very grateful and sent a Thank You card with a donation to Lt. Erin Stehle, Fire Prevention Officer along with Keith Link, Assistant Fire Marshal and Lt. Luke Walker, for replacing her smoke alarm.

THE JOYFUL DISPATCH

On March 18th Mr. Mike Conboy reached out to Lt. Erin Stehle, Fire Prevention Officer, about having his smoke alarms checked. As a senior citizen living in Harrisonburg, it was not safe for Mr. Conboy to get up on a ladder to check his smoke alarms. The crew of Engine 26 C Shift; Andrew Bauserman, Donnie Babb, Jonathan McKinney, and Michael Thompson, went and checked the smoke alarms for Mr. Conboy.

Mr. Conboy reported back to Lt. Stehle that his smoke alarms were OK and that the crew of Engine 26 were such a nice bunch. Mr. Conboy was very appreciative for the Department's prompt assistance.

THE JOYFUL DISPATCH

A big thank you to Sydney Collins, sister of FF Austin Collins, for the cookies. During a cookie dough fundraiser for her Varsity Volleyball Team for Broadway High School, Sydney asked her customers to consider donating a box or two to the fire department.

Another big thank you to Girl Scout Troop 82 for donating cookies to our firefighters!

As we were heading to the front of the store to pay for our picnic table for HFD Station 2 when a man stopped us. He was the store manager and donated the table to us out of the blue. A big thank you to Gary and everyone at Lowe's of Harrisonburg!
