WATER SAFETY STARTS NOW!

May is traditionally recognized as water safety month, but we plan to celebrate it all summer!

Below are a 10 tips to help make your day in and around water safer:

1. Watch kids in and around all water. Weak swimmers or swimmers in flotation devices should be kept within arms reach of an adult. www.safekids.org
2. Use USCG approved flotation devices. Lifejackets are cool!
3. Designate a Water Watcher. Choose one adult in your group to be responsible for watching kids in or around water for a set amount of time and take turns. Water Watchers are not distracted by phones, books or conversations. www.safekids.org and colinshope.org
4. Enroll kids in swim lessons! Learn to swim yourself! harrisonburgva.gov/parks-recreation
5. Make sure kids do a swim test before going off the diving board or swimming in deep water. Ask a lifeguard or member of the leadership team.
6. Talk to your kids about swimming in different types of water.
7. Make sure kids and you know the limits; i.e. how deep before the water is up to their chest, eyes, etc. and set boundaries.
8. Get CPR certified and learn basic water rescue skills, www.redcross.org
9. Wear swimsuits that are neon colored: yellows, oranges and greens. Avoid white, black, grey and blue hues. alive-solutions.com
10. Wear sunscreen and clothing designed to block the sun like hats, sunglasses and UPF shirts.

BECOME A WATER WATCHER

Parents and adult family members, vow to be a Water Watcher and present your printed certificate or card for free adult pool admission that day!

Take the quiz at colinshope.org and print your certificate. You will be added to the Water Watcher Wall of Fame on their website and we will comp your adult admission the day you present your certificate. Having you around helps us keep your kids safer.
