SAFE at Home

Project Description

Mercy House, Inc. Project SAFE at Home is a program to ensure that ex-residents of the Mercy House Homeless Shelter get a year of supportive services to assist them in their transition from homelessness to home in the community. SAFE at Home is designed to assist LMI families in developing strategies to overcome poverty and move into a safe level of living where each family member has the possibility of developing their full potential. The assistance includes emergency financial assistance, mentoring, child care assistance, gas vouchers, bus passes, car repairs, and training. Mercy House requested \$14,000 for this project.
