Pleasant Valley Road Bridge Reopens to Traffic

Harrisonburg, Va. – The Harrisonburg Public Works Department has almost completed the project to replace the bridge, located on Pleasant Valley Road.

As of this afternoon, the bridge has reopened to all traffic. Motorists will no longer need to travel on the identified detour.

The Public Works Department will continue working with the general contractor to complete several minor portions of the project that are not yet complete.

This replacement project was done because the former bridge was considered structurally deficient. This project also enhanced traffic and pedestrian safety.

More information about the project is available at www.HarrisonburgVA.gov/pleasant-valley-road.

The City of Harrisonburg is centrally located in the Shenandoah Valley of Virginia. It is home to almost 55,000 people. More information about the City of Harrisonburg is online at www.HarrisonburgVA.gov.
