

## REGULAR MEETING

May 12, 2009

At a regular meeting held this evening at 7:00 p.m., there were present: Mayor Kai Degner; City Manager Kurt Hodgen; Assistant City Manager Evan Vass; City Attorney Earl Q. Thumma, Jr.; Vice-Mayor Richard A. Baugh; Council Members David Wiens, and Carolyn W. Frank; City Clerk Yvonne “Bonnie” Ryan, MMC; and Chief of Police Donald Harper. Absent: Council Member Ted Byrd

Vice-Mayor Baugh gave the invocation, and Mayor Degner led everyone in the Pledge of Allegiance.

Council Member Frank offered a motion to approve the consent agenda, including approval of the minutes and the second reading of a supplemental appropriation for the Public Utilities Department. The motion was seconded by Vice-Mayor Baugh and approved with a recorded roll call vote taken as follows:

The next item of business was considering a proposed real property tax increase. City Manager Hodgen briefly reviewed the real estate tax rate. Mr. Hodgen said that this year’s budget is based upon the assumption of \$.59 per \$100 of assessed value. This rate is the same as the current tax rate, but represents an effective rate increase of about four and 1/4 cents per \$100 of assessed value due to the 2008 Reassessment. This will generate about \$1.6 million dollars of new real estate tax revenues due to the assessment. However, revenues overall are about \$8.5 million dollars less than last year budget. It is recommended that the real estate tax rate remain the same.

At 7:05 p.m., Mayor Degner closed the regular session temporarily and called the evening’s first public hearing to order. The following notice appeared in the Daily News-Record on Monday, April 13, 2009.

### **NOTICE OF PROPOSED REAL PROPERTY TAX INCREASE**

**The City of Harrisonburg proposes to increase property tax levies.**

- 1. Assessment increase: Total assessed value of real property, excluding additional assessments due to new construction or improvements to property, exceeds last year’s total assessed value of real property by 7.77 percent.**

2. **Lower Rate Necessary to Offset Increase Assessment:** The tax rate which would levy the same amount of real estate tax as last year, when multiplied by the new total assessed value of real estate with the exclusions mentioned above, would be \$.5475 per \$100 of assessed value. This rate will be known as the “lowered tax rate.”
3. **Effective Rate Increase:** The City of Harrisonburg proposes to adopt a tax rate of \$.59 per \$100 of assessed value. The difference between the lowered tax rate and the proposed rate would be \$.0425 per \$100, or 7.76 percent. This difference will be known as the “effective tax rate increase.”

Individual property taxes may, however, increase at a percentage greater than or less than the above percentage.

4. **Proposed Total Budget Decrease:** Based on the proposed real property tax rate and changes in other revenues, the total budget of the City of Harrisonburg will be less than last year’s original budget by 14.42 percent.

A public hearing on the tax rate increase will be held on May 12, 2009 at 7:00 p.m., in the Harrisonburg Council Chambers located at 409 South Main Street, Harrisonburg, Virginia.

All hearings shall be open to the public. The governing body shall permit persons desiring to be heard an opportunity to present oral testimony within such reasonable time limits as shall be determined by the governing body.

**CITY OF HARRISONBURG**  
**Kurt D. Hodgen**  
**City Manager**

Mayor Degner called on anyone desiring to speak for or against this proposed real property tax increase.

Kathy White, general manager for Forbes Development, said re-assessment at the current tax rate would cost the company an additional \$17,714 per year, which is an increase of 22%. Because citizens of the City are financially stressed, Ms. White suggested that the City tighten the budget and spend less money. Ms. White also recommended that the City reduce the tax rate to 54.75% per \$100 of assessed value. There being no others desiring to be heard, the public hearing was declared closed at 7:12 p.m., and the regular session reconvened. Council Member Wiens offered a motion to approve the proposed real estate tax rate of \$.59 cents per \$100 assessed value. The motion was seconded by Vice-Mayor Baugh and approved with a recorded roll call vote taken as follows:

Vote: Yes - Vice-Mayor Baugh  
Council Member Wiens  
Council Member Frank  
Mayor Degner

Absent – Council Member Byrd

City Manager Hodgen presented a request to issue General Obligation Bonds in the amount not to exceed \$16,000,000. Mr. Hodgen said the proceeds of the Bonds will be used to finance projects that have been planned for several years. These projects include the Stone Spring Road/Erickson Avenue construction project, the “Dream Come True” playground project, water tank construction, the possibility of refunding a 2000 General Obligation bond, funding for the HRHA Franklin Heights project costs, and bond issuance costs. It should be noted that HRHA will be responsible for payment of its share of the debt service associated with the bonds, along with its share bond issuance costs.

Ted Cole of Davenport and Company, the City’s financial advisor, presented an overview of a resolution, which states Council’s intent to move forward with a preliminary approval. Mr. Cole briefly reviewed the four proposals received for the bonds including the terms and provisions of the proposals, a preliminary resolution, and fund usage. Carter Bank & Trust will provide the most favorable terms and conditions and allows complete flexibility to restructure the loans. Davenport and Company is recommending that the City consider the Carter Bank & Trust option. Mr. Cole also discussed a timetable regarding issuing the bonds.

At 7:38 p.m., Mayor Degner closed the regular session temporarily and called the evening’s second public hearing to order. The following notice appeared in the Daily News-Record on Tuesday, April 28, and Tuesday, May 5, 2009.

**NOTICE OF PUBLIC HEARING ON PROPOSED  
ISSUANCE OF BONDS BY THE CITY OF  
HARRISONBURG, VIRGINIA**

The Bonds may be issued from time to time and in one or more series.**

**The proceed of the Bonds will be used to (i) finance a portion of the costs of road construction including Port Republic Road, Reservoir Street, Stone Spring Road and Erickson Avenue, (ii) finance the construction of a water tank, (iii) finance the construction and equipping of Peach Grove Park, (iv) provide funds to the Harrisonburg Redevelopment and Housing Authority to pay a portion of the costs the renovation of certain of its public housing units, in particular those at the Franklin Heights Apartments, and (v) pay the costs of issuance of the Bonds.**

**The public hearing, which may be continued or adjourned, will be held at 7:00 p.m. on Tuesday, May 12, 2009, before the Council at a regularly scheduled meeting in the Council Chambers at 409 South Main Street in Harrisonburg, Virginia 22801. Any person**

**interested in the issuance of the Bonds and the purposes for which the Bonds are being issued may appear at the hearing and present his or her views.**

Mayor Degner called on anyone desiring to speak for or against issuing the General Obligation Bonds. There being no one desiring to be heard, the public hearing was declared closed at 7:49 p.m., and the regular session reconvened. Council Member Frank offered a motion to approve the resolution authorizing the preliminary action for issuance of the bonds using Carter Bank & Trust. The motion was seconded by Vice-Mayor Baugh and approved with a recorded roll call vote taken as follows:

Planning and Community Development Director Turner presented a request to amend Section 10-3-97, 10-3-46(1) and 10-3-48.4(1) of the Zoning Ordinance. Section 10-3-97 will add “boarding and rooming houses” as a use allowable by special use permit within the M-1, General Industrial District. Mrs. Turner said that there has been a lot of discussion about adding boarding and rooming houses in the industrial district. Allowing this type of use would offer property owners with small lot residential uses and/or residential structures that exist as M-1 zoned properties the option of applying for this special use permit. Section 10-3-46(1) and 10-3-48.4(1) would add descriptive language of boarding and rooming houses. These sections allow application for boarding and rooming houses, as a special use permit, within the R-3, Multiple Dwelling Residential District and the R-3, Medium Density Residential District. In some situations, it might be inappropriate to limit a boarding or rooming house to only one occupant per bedroom. Planning Commission recommended approval of the proposed ordinances.

At 7:48 p.m., Mayor Degner closed the regular session temporarily and called the evening’s third and fourth public hearings to order. The following notice appeared in the Daily News-Record on Monday, April 27, and Monday, May 4, 2009.

**NOTICE OF PUBLIC HEARING**

**The Harrisonburg City Council will hold several public hearings on Tuesday, May 12, 2009 at 7:00 p.m., in the City Council Chambers, 409 South Main Street to consider the following:**

***Ordinance Amendment – R-3 Boardinghouse or Rooming House Language Change***

**Public hearing to consider amending the Zoning Ordinance Sections 10-3-46 (1) and 10-3-48.4 (1) to amend the descriptive language of boardinghouse and roominghouse.**

***Ordinance Amendment – Boardinghouse or Rooming Houses M-1 Special Use Permit Addition***

**Public hearing to consider amending the Zoning Ordinance Section 10-3-97 to add Boardinghouse or Rooming house as a use permitted by special use permit within the M-1, General Industrial District.**

**Maps and other information are available for review in the Community Development Department, 409 South Main Street, Monday through Friday, 8:00 a.m. to 5:00 p.m.**

**All persons interested will have an opportunity to express their views at these public hearings. Any individual requiring auxiliary aids, including signers, in connection with the public hearing shall notify the City Manager at least five (5) days prior to the date of the meeting.**

City Manager**

Mayor Degner called on anyone desiring to speak for or against these ordinance amendments. There being no one desiring to be heard, the public hearing was declared closed at 7:49 p.m., and the regular session reconvened. Vice-Mayor Baugh offered a motion to adopt Section 10-3-97, 10-3-46(1), and 10-3-48.4(1) of the Zoning Ordinance for a first reading. The motion was seconded by Council Member Wiens and approved with a recorded roll call vote taken as follows:

Vote: Yes - Vice-Mayor Baugh

Council Member Frank

Planning and Community Development Director Turner presented a request from Aneta and Christopher Smialek for a special use permit to allow a Major Family Day Home at 521 Blue Ridge Drive. The Comprehensive Plan designates this area as Low-Density Residential. Mrs. Turner reviewed the surrounding uses in the area and also briefly reviewed child care provisions allowed in the Zoning Ordinance. After receiving a complaint, it was discovered that Ms. Smialek was providing care for more than one (1) through five (5) children under the age of thirteen (13) that is allowed as a “minor family day home”. Ms. Smialek has been licensed by the Department of Social Services to provide care for twelve (12) or fewer children in her home. Staff had concerns regarding the traffic in the area. The volume of traffic near this intersection is significant. The property is located at an awkward, skewed intersection, which is also not a

standard four way junction. The traffic signal controls several vehicle movements. Additionally, there is a transit bus stop situated at the junction of Country Club Road and Clay Street. The property has a driveway with entrances on both Blue Ridge and Country Club Road. The two entrances allow vehicles to enter and/or exit from either road. Planning Commission recommended approval (5-2) that the special use permit for the day care facility be approved with the following conditions: 1) The “major family day home” shall be valid only for the current applicants. 2) Vehicles shall not be permitted to exit the property onto Country Club Road. All vehicles shall exit onto Blue Ridge Drive. The applicant shall install signage on her property to this effect. 3) All existing shrubbery/plantings within the island created by the connecting portions of the driveway, near the southwestern property corner, shall be trimmed or removed to improve sight distance. All plantings within this area shall be low-lying and/or ground covering vegetation. 4) The connecting portions of the driveway shall remain open at all times to allow parents/guardians to maneuver on and off of the property without utilizing the public right-of-way. Parking is prohibited on these portions of the driveway. 5) If City Council finds traffic conditions warrant re-evaluation of the “major family day home” they may require the applicant to return to Planning Commission to re-examine the use of the property. It shall be at the discretion of Planning Commission and/or City Council to determine if the re-evaluation requires a new public hearing. Such re-evaluation may result in additional conditions being placed on the use or revocation of the special use permit. Planning Commission recommended approval with conditions of the special use permit request.

At 8:08 p.m., Mayor Degner closed the regular session temporarily and called the evening’s fifth public hearing to order. The following notice appeared in the Daily News-Record on Monday, April 27, and Monday, May 4, 2009.

### **NOTICE OF PUBLIC HEARING**

**The Harrisonburg City Council will hold several public hearings on Tuesday, May 12, 2009 at 7:00 p.m., in the City Council Chambers, 409 South Main Street to consider the following:**

***Special Use Permit – 521 Blue Ridge Drive – Major Family Day Home (10-3-34 (6))***

**Public Hearing to consider a request from Aneta and Christopher Smialek for a special use permit per Section 10-3-34 (6) to allow a Major Family Day Home within the R-1, Single Family Residential District. The property is located at 521 Blue Ridge Drive and can be found on tax map parcel 29-D-29.**

**Maps and other information are available for review in the Community Development Department, 409 South Main Street, Monday through Friday, 8:00 a.m. to 5:00 p.m.**

**All persons interested will have an opportunity to express their views at these public hearings. Any individual requiring auxiliary aids, including signers, in connection with the public hearing shall notify the City Manager at least five (5) days prior to the date of the meeting.**

Mayor Degner called on anyone desiring to speak for or against the special use permit request. Aneta Smialek, owner of the day care facility, said each parent is given a letter stating that after three warnings a ten dollar fee will be charged if they exit out onto Country Club Road. There is camera surveillance to make certain no one is exiting out. The bushes in the island have been trimmed. There being no others desiring to be heard, the public hearing was declared closed at 8:14 p.m., and the regular session reconvened. Council Member Frank offered a motion to approve the special use permit request with the five conditions to allow a “major family day home” at 521 Blue Ridge Drive. The motion was seconded by Council Member Wiens and approved with a recorded roll call vote taken as follows:

Planning and Community Development Director Turner presented a request from Scott Kettelkamp to preliminarily subdivide two parcels along Norwood Street into three townhouse lots. The Comprehensive Plan designates this area as Medium-Density Residential. Mrs. Turner reviewed the surrounding uses in the area. This is a request to preliminarily subdivide two parcels into three townhouse lots. By right, Mr. Kettelkamp can construct a single family home on each of these lots or a duplex dwelling. The applicant has said that it is not economical feasible to develop these uses on the property. Section 10-2-41 and 10-2-45 provides design standards for streets and alleys and states that additional width will be needed to bring the property into conformance with City street standards. Mrs. Turner reviewed the right-of-way width on Norwood Street regarding the subdivision process. The right-of-way should be dedicated as required by the subdivision ordinance. In this case, if the applicant dedicates the 10 feet of right-of-way, he will not have enough lot depth to meet the requirement of 112 feet. Mr. Kettelkamp will be able to construct the townhouses. Staff does not want to set a precedent of deviating from this requirement or allowing easements in place of right-of-way simply to maintain desired density. Mrs. Turner said that Planning Commission recommended approving the variance requests from Section 10-2-66 & 10-2-67 of the Subdivision Ordinance and recommended denying the variance requests from Section 10-2-41 & 10-2-45 of the Subdivision Ordinance, which requires the dedication of right-of-way.

Mrs. Turner also said that Mr. Kettlekamp has presented a new proposal, which states that at some point in the future either he or the future owners of the three townhouse lots would be willing to dedicate right-of-way to the City at no cost if the City is interested in street improvements. This proposal would keep the lot depth, allow constructing three townhouses according to his plan, place the townhouses back far enough on the lots and still have the dedicated 30 feet set back once they dedicate the 10 feet of right-of-way to the City. But, the lot

depth would become non-conforming. This proposal would allow constructing and maximizing the density while also providing any City right-of-way requirement in the future. Planning Commission discussed whether the applicant can provide the required on-site off street parking spaces. Mrs. Turner also reviewed other proposals submitted by the applicant regarding on-site parking spaces, and maximizing the density entrance alignment. It was noted that Planning Commission has not reviewed this new proposal. Mrs. Turner reminded everyone that Planning Commission recommended approval of the variance requests from Section 10-2-66 & 10-2-67 of the Subdivision Ordinance and recommended denial of the variance requests from Section 10-2-41 & 10-2-45 of the Subdivision Ordinance, which requires the dedication of right-of-way.

Following a lengthy discussion and many comments, Council Member Frank offered a motion to refer the new proposal back to the Planning Commission for further review. The motion was seconded by Vice-Mayor Baugh and approved with a recorded roll call vote taken as follows:

All such further actions consistent within the terms and provisions of this Authorizing Resolution shall be conclusively deemed as having been accepted and approved as authorized by this Authorizing Resolution without any further acts or approvals on the part of the City.

8. **Waiver of Redemption Provisions; Redemption or Prepayment.** The City hereby agrees and consents to the defeasance and redemption by VRA of all or any portion of any obligation(s) issued by VRA in connection with its original purchase of the 2001 Bond from the City on December 14, 2001, including but not limited to any termination of documents and any transfer thereof, all as may be necessary or convenient for VRA's purposes in order to accomplish a restructuring of the 2001 Bond as described herein. The City further agrees to waive any right to optional redemption of the 2001 Bond to the extent necessary to conform to any requirements of the 2009 Financing Agreement (or any other requirements by VRA). Further, it is to be understood that the City may defease, redeem, prepay or refund the Refunding Bond only in accordance with the 2009 Financing Agreement or otherwise consented to by VRA and allowed by law.

11. **Registration, Transfer and Exchange.** The City hereby appoints the Clerk of the City Council as its registrar and transfer agent to keep books for the registration and transfer of the Refunding Bond and to make such registrations and transfers on such books under such reasonable regulations as the City may prescribe. Upon surrender for transfer or exchange of the Refunding Bond at the office of the registrar, the City shall cause the execution and delivery in the name of the transferee or registered owner, as applicable, of a new Refunding Bond for a principal amount equal to the Refunding Bond surrendered and of the same date and tenor as the Refunding Bond surrendered, subject in each case to such reasonable regulations as the City may prescribe. If surrendered for transfer, exchange,

redemption or payment, the Refunding Bond shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and substance reasonably satisfactory to the Registrar, duly executed by the registered owner or by his or her duly authorized attorney-in-fact or legal representative. The new Refunding Bond delivered upon any transfer or exchange shall be a valid general obligation refunding obligation of the City, evidencing the same debt as the Refunding Bond surrendered and shall be entitled to all of the security and benefits of this Resolution to the same extent as the Refunding Bond.

12. **Charges for Exchange or Transfer.** No charge shall be made for any exchange or transfer of the Refunding Bond, but the registrar may require payment by the holder of the Refunding Bond of a sum sufficient to cover any tax or any other governmental charge that may be imposed in relation thereto.

Council Member Frank offered a motion to approve the resolution authorizing the refunding of a 2001 General Obligation Bond. The motion was seconded by Council Member Wiens and approved with a recorded roll call vote taken as follows:

The next item of business was a presentation by Kim Alexander, Assistant to the City Manager, regarding downtown news and information stands. Ms. Alexander said that for years, newspaper companies and real estate firms have placed boxes along the City-owned sidewalks in the historic downtown area to sell newspapers or to give away information. Recently the number and locations of boxes has increased and City staff and Downtown business owners have concerns about the appearance, especially since the City has just completed Phase One of the Streetscape Project. The boxes also interfere with sidewalk sweepers and the placement of amenities such as trash containers and benches. Discussion included an application or permit process in conjunction with making designated areas only for the boxes.

At 10:01 p.m., there being no further business and on motion adopted, the meeting was adjourned.
