### **Food and Beverage Vendor Chosen for Heritage Oaks Golf Course**

Harrisonburg, VA – Wild Woods BBQ, based in Bridgewater, Virginia, has been selected to be the food and beverage provider for Heritage Oaks Golf Course.

The food and beverage selection committee unanimously selected Wild Woods BBQ from a field of three candidates. The committee considered menu, experience, qualifications, compensation, references and compatibility with the golf experience to reach the decision.

Wild Woods BBQ anticipates opening in 45 – 60 days with an ABC beer and wine license and will lease the space year round for an initial 3 year period.

“Our quick service food concept including hickory smoked pork, chicken, turkey and beef as well as home-made sides and desserts are expected to be well received by the golfers at Heritage Oaks,” said Larry French, owner of Wild Woods. “We are excited about working with Heritage Oaks to startup and build this food service business using the new restaurant facilities that the city has provided.”

The new food and beverage area will allow seating for 28 inside and another 16 outside on the front patio. Construction has been completed on the food and beverage service addition and currently kitchen equipment is being installed. Lunch and dinner hours for the food and beverage operations will be determined by demand and scheduled events.

Mayor Richard Baugh is pleased that the next step is being taken at Heritage Oaks. “We see offering food and beverage service at Heritage Oaks as another improvement that should enhance revenue by increasing the number of rounds played.”
