HRECC to Host Career Night

December 3, 2012

The Harrisonburg-Rockingham Emergency Communications Center, HRECC, is hosting a Career Night on December 13, 2012. This event will provide information and a first hand look at the career of emergency communications for any person who may be seeking a career in this field.

Staff members of the HRECC will be on hand to answer questions, provide information, and offer guided tours of the facility for attendees.

The event will take place in the HRECC, which is located in the Public Safety Building at 101, 5th Floor, North Main Street in Harrisonburg. Attendees should take the elevator to the 5th floor and they will be directed to the event location.

Career night will run 6:30-8:00pm on December 13th. Employee recruitment will begin on December 14, 2012 and interested parties may apply online at www.harrisonburgva.gov/employment

The HRECC looks forward to hosting this night and we encourage all interested parties to stop by for a first hand look to determine if this career is right for you!
