## Construction to Close a Portion of High Street

Harrisonburg, VA – The City of Harrisonburg aims to inform the community of an upcoming street closure.

On Friday, March 29 the Public Works Department will facilitate construction on the roadway at the intersection of High and Wolfe Streets.

The road construction will restrict traffic to one travel lane in both the north and southbound directions of High Street.

This work will begin at 6:00 a.m. and conclude once the construction is complete.

Crews will be digging out a hump that runs across High Street and then repaving that portion of the street to allow for a smoother roadway.

Motorists are encouraged to avoid this particular intersection. Main Street is a recommended alternate route for northbound traffic and Liberty Street is an alternate route for southbound traffic.

*The City of Harrisonburg is centrally located in the Shenandoah Valley of Virginia. It is home to approximately 50,000 people. More information about the City of Harrisonburg is online at [www.HarrisonburgVA.gov](http://www.HarrisonburgVA.gov).*
