## New Parking Permits to be Purchased

Harrisonburg, VA – This serves as a reminder to residents in the City of Harrisonburg that 2013 parking permits will need to be purchased by Friday, June 28, 2013. The current passes will expire on Sunday, June 30.

Many residential parking areas within the city limits are regulated through a permit parking system and designated by various colored zones.

In February 2013, City Council voted to change the cycle of which the parking permits expired. Parking permits now run on a cycle of July 1 through June 30 of the following year. Residents with a month-to-month lease are also now able to obtain guest parking passes.

Another change is that two existing parking zones have new colors to reflect the specific areas. The area of Greenbriar Drive is now a gold zone and the area of Weaver Avenue is now a brown zone.

Parking permits can be purchased in the Treasurer's Office, 345 S. Main St. Those purchasing a parking permit will need to provide their vehicle registration. In addition to providing a vehicle registration, renters will need to provide a valid rental agreement that confirms their address.

Proof of residency for home owners can be done in-house by the Treasurer's Office.

Parking permits cost \$3 per vehicle. There is no charge for guest passes but these are limited to two per household.
