Upcoming Paving Schedule

Harrisonburg, VA – The Public Works Department has scheduled a public parking lot to be repaved as part of its annual paving schedule.

Starting Wednesday, September 18, crews will begin milling and then repaving the Municipal Building Parking Lot.

The majority of this work is expected to be completed by Friday, September 20 with the exception of the line painting, which will be complete by the beginning of next week.

During this paving operation, motorists are encouraged to use the parking lot located to the south of the Municipal Building or the closest parking deck, which is located on Water Street.

Streets and city-owned parking lots are prioritized and repaved based on the condition of the asphalt. The annual paving started in April and will continue through the beginning of November.

This schedule is subject to change due to weather conditions and unforeseen maintenance on equipment.

More information is available at www.HarrisonburgVA.gov/paving-schedule.

The Harrisonburg Public Works Department maintains more than 300 lane miles, 42.37 miles of public sidewalk, 250 miles of curb and gutter, and hundreds of acres of city right-of-way. The Department strives to ensure a safe, clean, and clear passageway for all vehicular and pedestrian traffic. More information about street and sidewalk maintenance is available at www.HarrisonburgVA.gov/public-works.
