Temporary Interruption in Water Service

Harrisonburg, VA – The Public Utilities Department is working to replace a valve, which has caused a disruption in water service.

Residents in the 700 to 900 blocks of Circle Drive and those on Turkey Run Road will experience a temporary interruption in water service until the repair is made.

Once the valve is repaired and water service is back on, residents will be notified.

Information will also be posted to the city's [social media sites](#).

*The **Harrisonburg Department of Public Utilities** is responsible for providing water and sewer services to residences and businesses. The Department currently manages approximately 16,000 accounts. For more information about these functions of the city, visit www.harrisonburgva.gov/public-utilities.*
