## Upcoming Paving on East Market Street

Harrisonburg, VA – The Public Works Department continues working through the annual paving schedule with the selected contractor, Adams Construction Company.

Milling and paving along East Market Street will take place starting Sunday, July 13 and will be complete early Thursday morning.

Work will take place during the nighttime hours, from 7:00 p.m. until 7:00 a.m. due to the high volume of traffic on this roadway during the day.

All lanes of travel along East Market Street, both eastbound and westbound, from Vine Street to the 1600 block of East Market Street, will be paved.

Motorists will still be able to travel on this roadway; however, some lanes will be closed while the work is being done.

The milling operation consists of removing approximately 1 ½ to two inches of old pavement and replacing it with new asphalt.

The annual paving started at the end of March and should be complete by fall.

**This schedule can be subject to change due to weather conditions and unforeseen maintenance on equipment.** More information is available at [www.HarrisonburgVA.gov/paving-schedule](http://www.HarrisonburgVA.gov/paving-schedule).

*The City of Harrisonburg is centrally located in the Shenandoah Valley of Virginia. It is home to approximately 50,000 people. More information about the City of Harrisonburg is online at [www.HarrisonburgVA.gov](http://www.HarrisonburgVA.gov).*
