Temporary Closure of Terri Drive

Harrisonburg, VA – The Public Works Department will be extending a street closure while working on repairs in the area Terri Drive.

A portion of Terri Drive, from Country Club Road to 42 Terri Drive (the entrance of Commonwealth One Federal Credit Union), will be closed until next week.

Earlier today crews started working to replace a storm drain pipe. Due to the depth in which the pipe was located, work will take longer than originally expected.

The project is now anticipated to be complete next week at which time the street will also be reopened.

Access to businesses on Terri Drive will still be available from East Market Street.
