Temporary Street Closures in Downtown

Harrisonburg, VA – The Public Works Department in partnership with Faulconer Construction Company, the general contractor, will be temporarily closing a street next week.

Bruce Street, from Main to Mason streets, will be closed from Monday, October 13 until Friday, October 17. The parking lot behind the Hardesty-Higgins House will still be open and accessible to the public from Federal Street.

As ongoing preparations are made to complete Phase 2 of the Harrisonburg Streetscape Project, “Our Next Steps,” this street closure will be done so the signal pole foundation can be installed along with underground conduit at the intersection of Bruce and Main streets.

The left lane of South Main Street, from Water Street to Court Square will also be closed as the old sidewalk is removed to make way for the next section of the new brick sidewalk.

Also taking place at the beginning of next week, the right turn lane from Court Square to East Market Street will be closed for a few days.

As construction continues, the city reminds the community that businesses are open and still accessible from Main Street.

Information is always available at www.Harrisonburgva.gov/downtown-streetscape-next-steps.
