## Parks and Recreation Seeking Input on Dining Options

Harrisonburg, VA – The City’s Parks and Recreation Department is looking for a new vendor to manage the restaurant at Heritage Oaks Golf Course – but the restaurant is not just for golfers!

The new restaurant is expected to operate seven days a week during golf season, from March through November with potential for a year-round operation.

To gauge the needs and wants of potential patrons, the city is conducting a survey about the restaurant. Questions range from what food options diners would like to see to what hours they would like it to be open.
