## Vendor Selected to Provide Food Service at Golf Course

Harrisonburg, VA – The Harrisonburg Parks and Recreation Department has selected a vendor to provide a new menu at Heritage Oaks Golf Course.

Prosecco Ristorante and Subs, out of Bridgewater, will be the new food and beverage provider at the golf course and will open its doors in the beginning of March. In addition to catering toward the golfers at the course, the goal is for this to be a full-service restaurant offering full menu items, take out, pick-up and delivery.

In 2011, upgrades were made at the golf course to install the needed space and equipment to house a restaurant.

“We are excited to kick off the spring golf season with a new food and beverage vendor,” said David Wigginton, Assistant Director of Parks and Recreation. “This will open our doors at the golf course to an expanded audience.”

Prosecco Ristorante and Subs was one of two requests for proposals (RFP) that were submitted to the city.
