Portion of Rock Street Closed Next Week

Harrisonburg, VA – The City's Public Works Department will be removing some trees next week along West Rock Street, causing a temporary street closure.

These trees are leaning in the roadway and will be cut down to avoid creating a potential hazard for motorists.

On Tuesday, February 17 and Wednesday, February 18, West Rock Street, from Liberty Street to Collicello Street, will be closed from 7:30 a.m. until 4:00 p.m. The street will reopen when crews are not working.

It is anticipated that this project will be complete by the end of the work day on Wednesday, February 18.

This schedule can be subject to change due to weather conditions and unforeseen maintenance on equipment. More information is available at www.HarrisonburgVA.gov and updates will be posted to the City's [social media sites](#).
