## Portion of Rock Street Closed This Week

Harrisonburg, VA – The City’s Public Works Department will be removing some trees this week along West Rock Street, causing a temporary street closure.

These trees are leaning in the roadway and will be cut down to avoid creating a potential hazard for motorists.

On Wednesday, March 11 and Thursday, March 12, West Rock Street, from Liberty Street to Collicello Street, will be closed from 7:30 a.m. until 4:00 p.m. The street will reopen when crews are not working.

It is anticipated that this project will be complete by the end of the work day on Thursday, March 12.

This project was originally scheduled for February but was rescheduled due to inclement weather.

This schedule can be subject to change due to weather conditions and unforeseen maintenance on equipment. More information is available at [www.HarrisonburgVA.gov](http://www.HarrisonburgVA.gov) and updates will be posted to the City’s [social media sites](#).
