## Community Invited to Sign the Beam

Harrisonburg, VA – The City of Harrisonburg is inviting members of the community to attend a ceremony to “Sign the Beam.”

**On Wednesday, March 18 at 1:30 p.m.**, the City will host a ceremony that will mark a milestone in the construction of the new City Hall. City employees, neighbors, and members of the community are invited to sign one of the final beams that will be installed in the heart of the new building.

At the conclusion of the ceremony, those in attendance will be able to stay and watch the beam as it is set into place. The beam will be installed in a location, where the signatures will be visible in the years to come.

The event will be held at the front of the new building, in the parking lot of the existing Community Development building and will occur rain or shine.
