## City Increases Presence on Social Media

Harrisonburg, Va. – The city of Harrisonburg is launching another effort to stay connected to the citizens in Harrisonburg.

In addition to the other social media platforms used by the city, Harrisonburg will now connect with pictures through Instagram.

“There are so many beautiful images to showcase the city,” said Mary-Hope Vass, public information officer. “In addition to the scenery, this platform will be used to feature the progress of projects, various city facilities, and general day-to-day operations that provide services to the residents.”
