## Crews Continue Work on Storm Drain

Harrisonburg, Va. – Harrisonburg’s Public Works Department will continue work on replacing a storm drain next week.

Work is taking place at the intersection of North Main Street and East Market Street and started on May 18. It was expected to finish this morning but due to some unexpected delays in the project, nighttime work will continue next week.

Work will begin on Monday, May 25 at 9 p.m. and continue through Friday, May 29 at 7 a.m.

During the nighttime work, traffic will be restricted to one northbound lane on Main Street, from Water Street to the north side of Court Square. East Market Street, from Main to Federal streets, will also be closed.

The storm drain is in need of replacement because of its age and deterioration.

Motorists are reminded to use caution when traveling through this area, particularly at night. The intersection will have additional lights during the nighttime work and directional signs to aid in maneuvering traffic.

Questions? Contact the Public Works Department at 540-434-5928.
