## Rock Street Reopens

Harrisonburg, Va. – The Public Works Department has reopened West Rock Street, now that the bridge replacement project is complete.

The bridge replacement project started at the beginning of April and was constructed by Hammond-Mitchell from Covington, VA, the selected general contractor.

This project replaced the 40 foot long steel beam and concrete deck that made up the bridge along with new sidewalks, handrails, curb and gutter.

It cost approximately \$525,000 for the construction of this project.
