City Prepares Winter Activity Guide for Classes and Programs

Harrisonburg, Va. – The city’s Parks and Recreation Department will soon distribute the winter activity guide.

Residents in Harrisonburg and Rockingham County are invited to participate in a variety of programs offered through Harrisonburg’s Parks and Recreation Department. The winter activity guide will be distributed the week of November 16 and will cover events and activities from December 2015 through March 2016.

Online registration will be open one week earlier for city residents and will begin Monday, November 23.

“We wanted to give residents an extra benefit by allowing them to register online for the winter programs, while also promoting online registration,” explained Matt Little, special events coordinator with Parks and Recreation.

City residents needing to register in person or by phone can do so starting on November 30 and non-city residents can sign up December 1.

To set up an account to register online is simple. Email parksandrecreation@HarrisonburgVA.gov or visit www.HarrisonburgVA.gov/parks-recreation for further instructions.
