Harrisonburg, Va. – The city of Harrisonburg is excited to announce the grand opening ceremony for Harrisonburg’s City Hall.

Members of the community are invited to attend the ceremony in the front of City Hall, 409 S. Main St., on Thursday, December 10 starting at 2:00 p.m. Limited parking is available in front of City Hall. Additional parking is available on the north side of the Municipal Building and near the Turner Pavilion.

Once the ceremony is complete the building will remain open so members of the public can tour in an open house format until 6:00 p.m.

This beautiful facility was designed by Mather Architects and constructed by Nielsen Builders, general contractor. Construction started in the summer of 2014. In mid-September, staff members made the big move and the facility was opened to the public at that time.
