City Tax Bills Due Next Week

Harrisonburg, Va. – Residents in the city of Harrisonburg should have received a personal property and real estate tax bill, which is due to be paid by December 5.

Since the due date of bills actually falls on a Saturday, payments officially postmarked by the United States Postal Service or paid in person by December 7 are considered timely.

The Treasurer’s Office distributed real estate and personal property bills at the end of October. Also included in this bill for the first time is the stormwater utility fee, which is a fee assigned to every parcel of land in the city based on the amount of impervious area on the property. More information about this fee can be found at www.HarrisonburgVA.gov/stormwater-utility. Please contact the Public Works Department at 540-434-5928 for more specific questions.

Personal property and real estate is assessed by the Office of the Commissioner of Revenue and tax rates are determined every year by City Council. The Treasurer’s Office collects tax bills for individual and personal property tax and real estate taxes.

Residents who did not receive a bill should contact the Treasurer’s Office at 540-432-7705.

Payments can be mailed to the Treasurer’s Office, paid in person at the Treasurer’s Office located in City Hall (409 S. Main St.) or paid online by visiting www.HarrisonburgVA.gov/pay-bills. Residents mailing payments should allow extra time and remember that payments may not be postmarked the same day it is left in the mailbox.
