## Westover Playground Temporarily Closed

Harrisonburg, Va. – The city’s Department of Parks and Recreation has temporarily closed a playground due to damages sustained from a recent storm.

The storm that swept through the city on Tuesday, May 3, washed out some safety surfacing at the Westover playground, which is located at 305 S. Dogwood Drive. With more rain in the forecast staff decided it was best to close the playground until the appropriate repairs could be made.

Temporary fencing and signs have been installed to prevent the public from using the playground.

Staff members anticipate the playground to reopen early next week.

*The Harrisonburg Parks and Recreation Department manages 12 parks, Dream Come True Playground and numerous other playgrounds, a skate park, bike trails, soccer complex, softball and baseball fields, a dog park, and two pools. The largest park in the City of Harrisonburg is Hillandale Park that encompasses 74 acres. More information about the parks can be found online at [www.HarrisonburgVA.gov/parks-recreation](http://www.HarrisonburgVA.gov/parks-recreation).*
