## Work Planned on Water Line

Harrisonburg, Va. – The city’s Public Utilities Department will be rehabilitating an existing manhole.

On Monday, October 3, crews will be reconstructing an existing manhole, which will also require a portion of the water line to be relocated. The site of this work is just south of the intersection of South Main Street and West Grattan Street.

The work on Monday will take place from 9:00 a.m. until 2:00 p.m. and water in this area will temporarily be turned off.

One lane of South Liberty Street, near the construction site, will be closed while the repair work is being done and motorists are encouraged to use caution and slow down when traveling in this area.

This schedule is subject to change due to weather conditions or unforeseen maintenance on equipment.

*The **Harrisonburg Department of Public Utilities** is responsible for providing water and sewer services to residences and businesses. The Department currently manages approximately 16,000 accounts. For more information about these functions of the city, visit [www.harrisonburgva.gov/public-utilities](http://www.harrisonburgva.gov/public-utilities).*
