City Works to Treat Roads

Harrisonburg, Va. – The Harrisonburg Public Works Department continues working this morning to treat roads that are slick.

Crews started working at 11:30 p.m. Friday night to monitor and treat roadways as some precipitation came through Harrisonburg.

There are some primary roadways throughout the city that are in moderate condition and residential areas are still considered severe.

Motorists are encouraged to limit their travel until the temperatures increase or use extreme caution when traveling throughout the city.

Additional information is always available at www.HarrisonburgVA.gov.

*The **Harrisonburg Department of Public Utilities** is responsible for providing water and sewer services to residences and businesses. The Department currently manages approximately 16,000 accounts. For more information about these functions of the city, visit www.harrisonburgva.gov/public-utilities.*
