City Plans Informative Meeting for Shared Use Path

Harrisonburg, Va. – The City of Harrisonburg’s Public Works Department has made plans to provide information to the public on an upcoming project.

Members of the public are invited to an informational meeting on **Wednesday, January 11 from 5:00 p.m. until 7:00 p.m.** at the Community Activities Center, 305 South Dogwood Drive. This meeting will be in an open house format to share and receive feedback on conceptual designs for the Garbers Church Road shared use path, answer questions, and educate residents on what the project entails.

The Garbers Church Road shared use path project consists of sidewalk and shared use path improvements. This project is located between Garbers Church Road and Westover Park and will connect schools, parks and residential neighborhoods in the southwest quadrant of the city.

It is anticipated that the construction of this project will begin in 2019 after the design is complete and the right of way and utility relocation work is finished.

Additional information is available at www.HarrisonburgVA.gov/garbers-church-road-sup.
