Temporary Street Closure and Disruption in Water Service

Harrisonburg, Va. – The city of Harrisonburg’s Public Utilities Department will oversee work this weekend that will require a temporary change in traffic patterns downtown and a temporary disruption in water service.

Starting Sunday, January 8 at 7:00 p.m. until Monday, January 9 around 7:00 a.m. Main Street, from the north side of Newman Avenue to Court Square will be closed. Vehicles will still be able to drive on Water Street, crossing over Main Street.

Water service will be interrupted from Monday, January 9 at 12:00 a.m. until 7:00 a.m. and city staff has been in communication with customers impacted by this work.

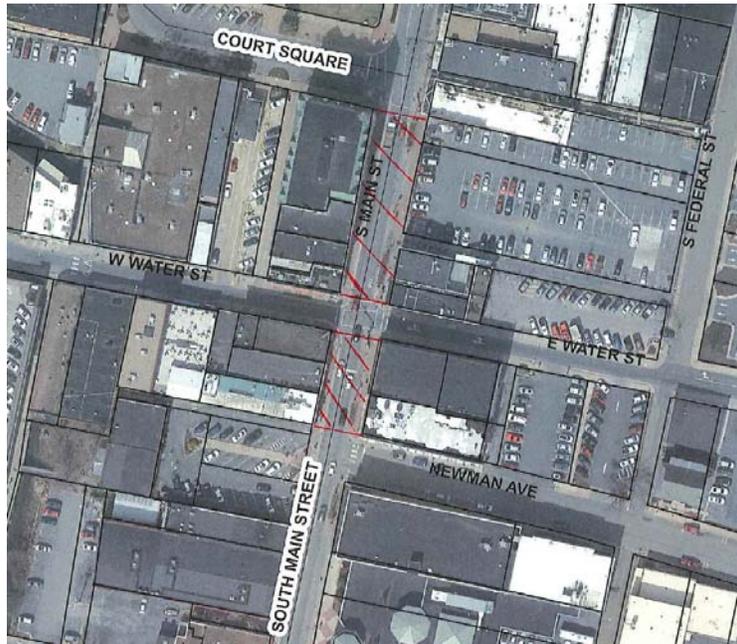

There are two water services and a fire line that are being upsized in this area as part of two separate renovation projects by private developers.

Motorists are reminded to use caution in this area, slow down, and watch for workers in and near the roadway.

This schedule is subject to change due to weather conditions or unforeseen maintenance on equipment.
