Temporary Interruption in Water Service

Harrisonburg, Va. – The Harrisonburg Public Utilities Department will be working with the Public Works Department this weekend as part of the Reservoir Street improvement project.

On Sunday, February 12 starting at 8:00 a.m., residents in the area of Chase Court will have a temporary interruption in water service while crews connect new water lines.

It is expected that this work will be completed by approximately 2:00 p.m. on Sunday afternoon.

Motorists are encouraged to use caution in this area and be mindful of crews working near the roadway.

The Reservoir Street improvement project continues making progress. Storm sewer crossings and water and sewer line work will continue this month, along with signal and fiber installations at the intersection of Lucy Drive and Stonewall Drive.

This schedule is subject to change due to weather conditions or unforeseen maintenance on equipment.

Additional information on this project can be found at www.HarrisonburgVA.gov/reservoir-street.

The City of Harrisonburg is centrally located in the Shenandoah Valley of Virginia. It is home to approximately 50,000 people. More information about the City of Harrisonburg is online at www.HarrisonburgVA.gov.
