Blacks Run Clean Up Day a Success

Harrisonburg, Va. – The city’s annual Blacks Run and Downtown Clean Up Day was yet another success throughout Harrisonburg!

A total of 516 volunteers participated in the event to help clean up their community. Through their efforts, more than three tons of trash and debris was collected from the Blacks Run watershed.

“Over the past 20 years, this event has had a significant positive impact on our community,” explained Kelley Junco, environmental compliance manager with the Public Works Department. “Clean up efforts shouldn’t just take place during this event, but all year long.”

Many downtown businesses also participated by supporting this event and the volunteers.
