## Temporary Street Closure for Bridge Maintenance

Harrisonburg, Va. – The Public Works Department will temporarily close a portion of Elizabeth Street next week to complete maintenance work on a bridge.

A portion of Elizabeth Street, between North High and North Liberty streets, will be closed from Monday, May 8 until the evening of Wednesday, May 10.

Crews will be placing an epoxy overlay on the bridge, which is located on Elizabeth Street. This process places a new wearing surface on the bridge, which prevents water infiltration and extends the life of the bridge structure.

This schedule is subject to change due to weather conditions or unforeseen maintenance on equipment.
