## **New Pavement Markings on East Washington Street**

Harrisonburg, Va. – The city of Harrisonburg’s Public Works Department will soon begin work to repave East Washington Street and install new pavement markings.

Starting Sunday, May 21, crews will repave East Washington Street, from Vine to North Main streets. Once the paving is complete the following new pavement markings will be installed.

- On-street parking will be prohibited on the eastbound side of East Washington Street, from Vine to North Main streets.
- On-street parking will be prohibited on the westbound side of East Washington Street, from Northfield Court to North Main Street.
- Bike lanes and sharrows will be painted on East Washington Street, from Vine to North Main streets. Sharrow markings are intended to remind bicyclists and motorists that the lane is meant to be utilized and shared by both vehicular and bicycle traffic.

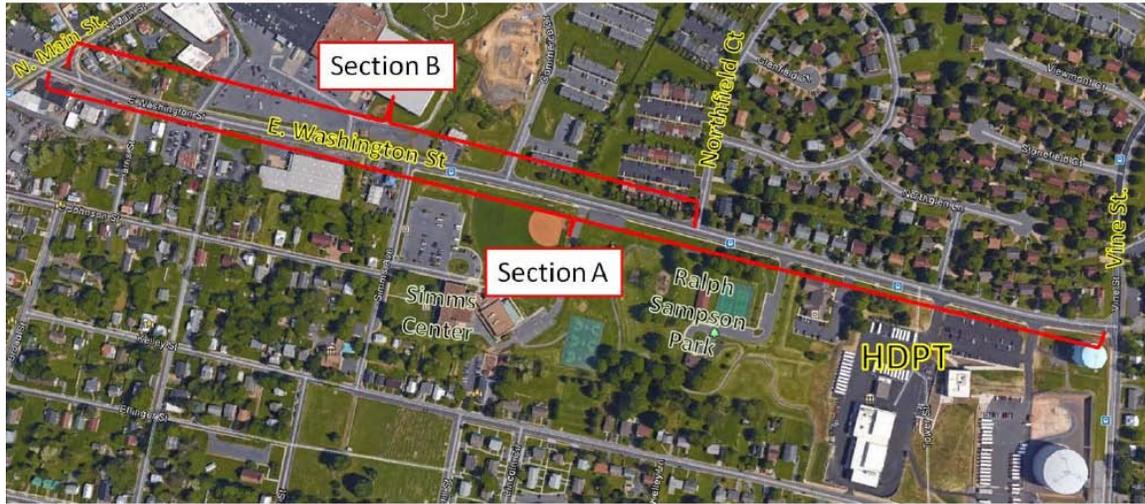

It is anticipated that there will be partial lane closures while the work is taking place and this project is expected to be complete by the end of May.

This project was identified as an infrastructure improvement in the most recent bicycle and pedestrian plan that was adopted in April. To review this plan, visit [www.HarrisonburgVA.gov/bicycle-pedestrian-plan](http://www.HarrisonburgVA.gov/bicycle-pedestrian-plan).

Additional information on this project can be found at [www.HarrisonburgVA.gov/e-washington-project](http://www.HarrisonburgVA.gov/e-washington-project).
