## Temporary Interruption in Water Service

Harrisonburg, Va. – The city of Harrisonburg’s Public Utilities Department will conduct work this weekend that will cause a temporary interruption in water service.

Starting on Sunday, October 29 around 8:00 a.m., a valve on a water line will be replaced in the 600 block of Garbers Church Road. The work is expected to be complete around 8:00 p.m. on Sunday night. Some customers will not have water during this time.

Motorists are encouraged to use caution in this area and slow down. One southbound lane of Garbers Church Road will be closed while this work is being conducted.

On Monday, October 30 crews with the Public Works Department will repave the section of pavement, where the utility work was completed.
