## City Hosts Information Session on Shared Use Path

Harrisonburg, Va. – The city of Harrisonburg’s Public Works Department will host an information session for the public.

On Thursday, November 9 from 5:00 p.m. until 7:00 p.m., members of the public are invited to an open house for the Garbers Church Road shared use path. This will be an opportunity for the public to learn more about the project, ask questions, and provide input on the design.

“We are excited to bring this project back to the community for input for the second time this year,” explained Erin Yancey, planning manager with Public Works. “The plans shown at the upcoming open house, while not complete, will give residents a better idea of where the path will be located.”

A public information session was held in January, where conceptual plans were shared and public input was received.

The open house on November 9 will be held at Bluestone Elementary School, 750 Garbers Church Road, in the dining commons.

Comments from the public about this project will be accepted from November 9 until November 23. Input can be sent to [Erin.Yancey@HarrisonburgVA.gov](mailto:Erin.Yancey@HarrisonburgVA.gov) or by visiting [www.BeHeardHarrisonburg.org](http://www.BeHeardHarrisonburg.org). After the open house, the plans will be on display in City Hall with comment sheets available. All comments shall be submitted by November 23.

Additional information on the project and a timeline can be found at [www.HarrisonburgVA.gov/garbers-church-road-sup](http://www.HarrisonburgVA.gov/garbers-church-road-sup).
