## Paving Will Take Place on Pleasant Valley Road

Harrisonburg, Va. – The city of Harrisonburg’s Public Works Department will oversee a project this week that could create some temporary delays in traffic.

On April 11 and April 12, crews will be putting down asphalt along Pleasant Valley Road, where the bridge work was recently completed. In addition, crews will be waterproofing the newly installed bridge deck.

Motorists will still be able to drive through this area; however, there could be some lane closures causing delays. Crews will be flagging traffic, so motorists are reminded to drive slow and be mindful of those working in and near the roadway.

This work is scheduled to take place from 7:00 a.m. until 5:00 p.m. each day on Wednesday and Thursday.

This schedule is subject to change due to weather conditions or unforeseen maintenance on equipment.

***The City of Harrisonburg*** is centrally located in the Shenandoah Valley of Virginia. It is home to almost 55,000 people. More information about the City of Harrisonburg is online at [www.HarrisonburgVA.gov](http://www.HarrisonburgVA.gov).
