## City Works to Repair Sewer Line

Harrisonburg, Va. – The city’s Public Utilities Department will be working tomorrow to repair an underground sewer line.

Starting at 7:30 a.m. on Thursday, June 14, crews will begin working in the area of East Market and Reservoir streets.

East Market Street from Myrtle Street to Hill Street will be restricted to one lane of travel in both eastbound and westbound directions. Motorists traveling northbound on Reservoir Street will be routed on to Myers Avenue, Franklin Street, and Ott Street.

Field crews recently discovered a blockage in the city’s sewer line that needs immediate repair.

This schedule is subject to change due to weather conditions or unforeseen maintenance on equipment.

It is recommended for motorists to use alternate routes and avoid this area tomorrow. Work is expected to be completed by tomorrow evening.

***The City of Harrisonburg*** is centrally located in the Shenandoah Valley of Virginia. It is home to almost 55,000 people. More information about the City of Harrisonburg is online at [www.HarrisonburgVA.gov](http://www.HarrisonburgVA.gov).
