HFD Hosts Annual Smoke Alarm and Free Pizza Night

Harrisonburg, Va. – The Harrisonburg Fire Department (HFD) is hosting its annual smoke alarm and free pizza night in partnership with CiCi’s Pizza.

Every year, members of HFD partner with CiCi’s Pizza to proactively check smoke alarms, while firefighters deliver a free pizza in return.

On Wednesday, July 11 from 4:00 p.m. until 8:00 p.m., pizza orders will be accepted and smoke alarms will be inspected. If the smoke alarm is not working properly, the battery is replaced or a new smoke alarm is installed at the residence.

“This is an exciting opportunity for us to educate the public on fire prevention but also ensure their homes are left with a working smoke alarm,” explained Lieutenant Erin Stehle, public education officer.

Last year, HFD reached more than 500 homes in the city.

To participate in this program, city residents may call 540-432-9099 starting at 4:00 p.m. on July 11 or order online by visiting www.HarrisonburgVA.gov/pizza-night.

The City of Harrisonburg is centrally located in the Shenandoah Valley of Virginia. It is home to almost 55,000 people. More information about the City of Harrisonburg is online at www.HarrisonburgVA.gov.
