Maintenance and Landscaping at A Dream Come True Playground

A Dream Come True Playground will be closed to the public Wednesday, October 10, from 8:00am to 3:00pm for landscaping and maintenance and is expected to reopen after work is completed that afternoon, October 10 at 4:00pm.

Since A Dream Come True Playground's opening eight years ago, staff will be working to enhance aging landscaping as well as maintaining structures. Parks and Recreation staff will need this time to work freely in the park.

Work on October 10 will also be done in preparation for the Global Clean Up Day on October 16 where a volunteer group from Rosetta Stone will be visiting the park to assist with final touches to new landscaping. The playground will be open to the public during the Global Clean Up Day on October 16.

Parks and Recreation would also like to remind the community that our park hours will be changing to winter hours beginning November 1 and all park restrooms will be winterized and closing for the season. Details to come regarding specific park winter hours and closings.
