## Westover Skate Park Temporarily Closed to the Public

Harrisonburg, Va. – The Harrisonburg Parks and Recreation Department has closed the Westover Skate Park for maintenance work as of today, October 31.

Staff anticipates maintenance work to be completed and the skate park to be reopened in a few business days. The reopening date of the skate park will be posted on our Facebook page and website.

As winter weather approaches, Parks and Recreation staff would like to remind the public that the skate park will be closed if there are poor weather conditions and if park surfaces are wet. The skate park will not open if temperatures are 40 degrees or below.
