Temporary Lane Closures for Repairs

Harrisonburg, Va. – The city’s Public Works Department will conduct storm sewer repair work next week, which requires the closure of Country Club Road between the intersections of Blue Ridge Drive and Clay Street. See attached map.

This segment of Country Club Road will be closed on Tuesday, November 13 from 7am to 4pm and on Wednesday, November 14 from 7am to 4pm while crews work to replace a storm sewer line under Country Club Road.

There will be signage at connecting intersections to advise motorists of the road closure. Motorists are encouraged to use caution in this area, slow down, and be mindful of the crews working in and around the roadway.

This schedule is subject to change due to weather conditions or unforeseen maintenance on equipment.

The Harrisonburg Public Works Department maintains more than 300 lane miles, 42.37 miles of public sidewalk, 250 miles of curb and gutter, and hundreds of acres of city right-of-way. The Department strives to ensure a safe, clean, and clear passageway for all vehicular and pedestrian traffic. More information about street and sidewalk maintenance is available at www.HarrisonburgVA.gov/public-works.
