Open house to showcase Environmental Action Plan

HARRISONBURG, Va. – The City of Harrisonburg and the Environmental Performance Standards Advisory Committee (EPSAC) is seeking public feedback on the Environmental Action Plan.

The open house will be held in the atrium at City Hall, 409 S. Main St., on Wednesday, June 5, from 5 to 7 p.m. The community is invited to come view the plan, talk to city staff and EPSAC members, and provide input on the effort.

The Environmental Action Plan is a road map for city leaders, staff and community members to implement sustainability visions and principles. It includes goals for six important focus areas: Buildings and Energy, Land Use and Green Space, Regional Food Systems, Sustainable Transportation, Waste Reduction and Recycling, and Water Resources.

The open house will kick off a public comment period, which will run June 5-26. Visit www.HarrisonburgVA.gov/EAP-Open-House for more information about the open house, to view the draft plan, or to find public comment forms.

The City of Harrisonburg is centrally located in the Shenandoah Valley of Virginia. It is home to almost 55,000 people. More information about the City of Harrisonburg is online at www.HarrisonburgVA.gov.
