City receives notification of phone scammer posing as HFD

HARRISONBURG, Va. – The Harrisonburg Fire Department is warning residents after a phone scammer posing as the fire department tried to solicit money from a local resident.

The scammer tells residents they are calling on behalf of HFD for a fundraiser, seeking to trick individuals into donating money or revealing sensitive banking information to support local firefighters.

HFD does not solicit for money or conduct fundraising activities, and will never call you asking for money. Any individual, business or other private entity that receives such a call suggesting they represent HFD and asking for donations should not engage with the caller. If you do receive such a call, you should contact HFD at 540-432-7703 and make staff aware of the issue.

Remember, never provide personal information or money to a caller if you are not completely certain of their identity.

The City of Harrisonburg is centrally located in the Shenandoah Valley of Virginia. It is home to approximately 54,000 people. More information about the City of Harrisonburg is available online at www.HarrisonburgVA.gov.
