

## 2014 Ladies Learning League

*The Ladies Learning League is open to any lady who would like learn or develop the game of golf. The league is an enthusiastic group of ladies who meet on Tuesday evenings. Often the ladies will get together after league at one of many local eateries.*

*The format varies each week, inside is a calendar for the season. The group will begin with general instruction and will finish out the season playing. Prize winnings will be earned by each player based upon their attendance and eventually on their team or individual finish, depending upon the weeks format.*

*At the end of the season we host a finale where the entire group gets together to socialize, and some great prizes are awarded!*

*Bring your friends!  
If they already play golf, they can join the Ladies Playing League!*

Heritage Oaks Golf Course looks forward to our leagues each year. Thank you for choosing to join the 2014 Ladies Learning League.

We hope you enjoy your experience in 2014. If you have been a part of the league in years past you will notice a few changes, but things will stay familiar!

Some of the changes include, you will see more of Kelly Adams this year. Feel free to talk to her about how much you love Heritage Oaks, and things we can do to make you love it even more! The start time will be a bit different this year, 6:00pm.

Since Kelly is playing with the Ladies League this year, score cards will be turned in to her for posting of the results on the bulletin board in the clubhouse when you begin play later in the season.
