

2014 Ladies Playing League

The Ladies Playing League is open to any lady who would like to play 9 holes of golf on Tuesday evenings with an exceptional group of women golfers. Often the ladies will get together after play at one of many local eateries.

The format of play varies each week, inside is a calendar of formats, with prize winnings earned by each player depending upon their team or individual finish, depending upon the weeks format.

At the end of the season we host a finale where the entire group gets together to socialize, and some great prizes are awarded!

Bring your friends! If they do not know how to golf they can join the Ladies Learning League and as they become more comfortable with their skill get out on the course and play along with you!

Heritage Oaks is proud to have earned the Virginia Green designation!

Heritage Oaks Golf Course looks forward to our leagues each year. Thank you for choosing to join the 2014 Ladies Playing League.

We hope you enjoy your experience in 2014. If you have been a part of the league in years past you will notice a few changes, but things will stay familiar!

Some of the changes include, you will see more of Kelly Adams this year as she joins your group. Feel free to talk to her about how much you love Heritage Oaks, and things we can do to make you love it even more! The start time will be a bit earlier, 5:30pm. This will give you a little more time to enjoy some socializing after play. Since Kelly is playing in the league this year, score cards will be turned in to her for posting of the results on the bulletin board in the clubhouse.
