Dear Parents/Guardians,

As winter weather approaches I would like to remind you of our inclement weather policy. In the event there is a weather related school closure, we will accept children and operate as a full day program, as long as Harrisonburg City Offices remain open and adequate staffing is available. However, the earliest we will accept any child in the event of a weather related school closure will be 8:00 am. In the event there is inclement weather on a scheduled school closure, we will post any delayed openings on WHSV as well as our Facebook page. In the event schools close early, we will accept children until weather permits otherwise. This policy allows us to assess the weather conditions and ensure the safety of everyone. If you have any questions regarding this policy, feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Scott" followed by a flourish.
