The Harrisonburg Police Department continues investigating a shooting that took place in the early-morning hours.

This morning around 2:40 a.m. officers responded to an apartment in the 1100 block of Devon Lane for the report of a shooting.

A 21-year-old male was shot in the leg and taken to Rockingham Memorial Hospital with non-life threatening injuries.

It appears as though the offender was outside the apartment, shot through the apartment door, and struck the victim.

Earlier in the evening officers were called twice to the same area for a group of people being disorderly.

Investigators continue following up on information received in this case.
